**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Prior to Sonic, ATT was charging premium prices but providing slow speed and lousy services. After I got Sonic, I got 10 times for speed for the same price without 1 single outage yet! If the competitive providers go away, I will be forced to pay high price for lousy services again. That would be totally unacceptable!
